Experience

Milford Animation / Character Modeller
Stockholm / Oktober 2018 - Present

Working with modelling and texturing stylised, semi-realistic and realistic characters mainly. I also do blendshapes, grooming, scripting, rigging, simulations and lighting when needed. Worked on commercials such as Vision Express, Galbusera, Disney Sorcerers Arena, VEnergy and Very

Important Looking Pirates / Lighting & 3D Generallist
Stockholm / Dec 2017 - May 2017

Lighting and shading CG environments and VFX elements mainly. When needed I jumped in and modelled props and sets also. Worked on shows such as Lost in Space, Krypton and Westworld.

SWISS / Set VFX supervision & Generallist
Stockholm / June 2017 - Dec 2017

Worked as a supervisor on set with director and film crew on 3 big Swedish commercials. I was also 3D generallist on 3 other commercials doing modelling, lookdev, lighting, FX, animation and compositing. Did commercials such as Volvo, UBER Boxes, Comhem and ATG.

Important Looking Pirates / Intern - Character Modelling
Stockholm / April 2017 - June 2017

I got the opportunity to intern as a character modeller for a TV show pilot, that in the end didn't get green lit, but I modelled a big photorealistic creature, a digidouble made mainly for closeups, as well as a lot of work on post-deformations and cfx on these characters.
